

## David Austin Roses and The Dorothy Clive Garden

Visit by coach Thursday 4<sup>th</sup> September 2025

£55 per TGS member + £5 per non member

Join us for a full day visit to two renowned venues.

In the morning, we will travel to David Austin Roses. The Plant Centre is home to one of the largest collections of potted roses in the country, over four hundred varieties available all year round together with an excellent selection of companion shrubs, trees, herbaceous plants and climbers to add to your outside space. A haven for any garden enthusiast.

Here we will have refreshments included and a talk before enjoying time to wander.

There is limited space in the café for lunch. Therefore, the recommendation is to bring a packed lunch to eat on route to the Dorothy Clive Garden.

In the afternoon, we will visit the Dorothy Clive Garden. This garden is both formal and informal, hosting a network of paths that invite the visitor to explore and discover the intimacy and tranquillity of the garden. There is a quarry garden, woodland and herbaceous borders and a glasshouse to visit. The garden has been developed on a hillside and this makes accessibility difficult in some areas of the garden.

We will travel by Bullocks coach picking up on the day as follows:

**73 Hill Top Ave Cheadle: 7.30am, The Bull at Hale Barns: 8.10am, Knutsford Bus Station: 8.40am**

We aim to leave the Dorothy Clive Gardens at about 4.45pm dropping off on the return journey at: **Knutsford Bus Station: 6pm, The Bull at Hale Barns: 6.30pm, Hill Top Ave Cheadle: 7pm**
