Guided Spring Walk At Dunham Massey by Mike Allen

Tuesday 24th March 2026

Own transport, meeting at the Visitor Centre within the Park

At 10.15am or 1.15pm

Following on from the success of last year’s winter walk, Mike Allen has been asked to repeat his very special ‘Walk and Talk’ at a different time of year, this time in Spring.

Mike will be known to many of you from his fifty year membership of TGS and also his involvement at the Lovell Quinta Arboretum where he is responsible for the Ash Collection. He has been a volunteer gardener and tour guide at Dunham Massey for over twenty three years, during which he helped to create the winter garden and later the rose garden. His lifelong interest in gardening will be illustrated as we walk with him when the gardens are starting to bloom with Camelias of which there are over 60 varieties, Magnolias, Erythroniums, Trilliums and Daffodils.

Places have to be booked. In the event of bad weather arrangements will be made for the visit to be postponed to another date.

You can enjoy a warming drink and refreshments after the walk in the café.

Entry to the car park, park & gardens is free to National Trust members.

Entry to the car park, park & gardens for non National Trust members is £11.
